Freedom Institute Celebrates Class of 2025 Graduation at the Revs Institute of Technology

Naples, FL — [May 20, 2025] — The Freedom Institute of Collier County proudly celebrated its 2025 graduating class with a memorable commencement ceremony held at Revs Institute on Friday, May 16. Surrounded by a unique blend of innovation, history, and tradition, students, families, faculty, and community leaders gathered to honor the achievements of this year's 18 graduates.

This year's ceremony highlighted the continued growth and impact of the Freedom Institute, a Naples-based educational institution dedicated to cultivating principled leadership, critical thinking, and civic responsibility. The partnership with Revs Institute — a globally respected center for automotive history and innovation — provided an inspiring backdrop for the event, linking the values of tradition, excellence, and forward-thinking progress.

The Freedom Institute's CEO Christopher Marker said, "Our graduates are not only prepared for academic success but for lives of purpose and service. Today we celebrate their hard work and their bright futures."

Principal Dr. Nathan Poteet delivered a stirring address on leadership, encouraging graduates to continue to pursue their dreams after graduation.

The Class of 2025 includes students who have earned distinction in academics, community engagement, and personal character. Many graduates will go on to attend top universities, pursue entrepreneurial ventures, or serve in civic and nonprofit roles, embodying the Institute's mission to nurture leaders of character and conviction.

The ceremony concluded with a reception among the world-renowned automotive exhibits at the Revs Institute, offering attendees a unique opportunity to reflect on the past while looking ahead with hope and determination.
